Customer Highlight Corner

Park Place Mortgage

OWNER
JOHN MAFRICI

Park Place Mortgage is a one stop mortgage emporium that provides custom home financing solutions to an individual's particular needs. We are truly independent, allowing us to secure the best loan program and rate for our clients. We proudly offer loans for our Veterans, for first time homebuyer's, for seasoned investors, and to anyone over age 62 seeking a reverse mortgage solution. We are featuring a program we call the "Be the Bank of You" loan and **invite you to click the link below to watch a two minute video** on how you can pay off your home loan in less than half the time, and that is why we say "it's not magic, its's math".

Partnership = Value

Park Place Mortgage began here in the Rogue Valley in 1997 and we are enjoying our twentieth anniversary serving Oregon as a truly independent mortgage Company. Like every business, we face regulatory and compliance issue that govern our financial services industry. We made the change to BBSI at the beginning of this year because we wanted to have a more full service program to insure adherence to ever changing rules and regulations, and insure compliance in areas such as payroll, HR, and workers compensation insurance, just to name a few. To serve our clients, we need to focus on what we do best, and is why we enjoy the services BBSI provides. The transition was smooth and seamless, very cost effective and simple for us to implement. I am confident BBSI has our best "interest", and recommend them to many of our fellow business owners and associates.

We are located at 1112 E. Main Street in Medford. Call us at 541-608-0782 for more information. NMLS #258480 and NMLS #271540

For Fast, Fair, Friendly and Fun, it's the only game in town!
